ST. PETER - KIRKWOOD

ABOUT YOUR PARISH WORKBOOK

- This parish workbook is designed to equip pastors and key parish leaders with data about the Archdiocese of St. Louis, your local planning area, and your parish.
- The data contained in this parish workbook has been gathered over the past twenty years from your parish and other parishes across the Archdiocese.
- This parish workbook should be used as an internal planning tool to help shape your reflections on the current strengths and opportunities for future growth of ministry and evangelization in the future.
- To help ensure accuracy of information, parishes are requested to limit the distribution of the information contained in this parish workbook to the pastor, parish staff, key parish leaders, and key advisory bodies. Information summarizing this data will be made available in the fall 2022 for parishioners across the Archdiocese.

ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.
Amen.

GUIDING TEXTS

REV. 21:3-5

I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.

He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”

The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”

GUIDING TEXTS EVANGELII NUNTIANDI (#18)

For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."

But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.

GUIDING TEXTS JOY OF THE GOSPEL (#27)

I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.

OUR DIOCESE
ARCHDIOCESE OF ST. LOUIS

ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

OUR TERRITORY FOR EVANGELIZATION

OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
 - Only 40-50% of our elementary school children live in the boundaries of their parish school.
 - The cost to educate our students continues to outpace tuition increases.
 - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

* Excluding retired priests resident in parishes

OUR PARISH
ST. PETER - KIRKWOOD

ABOUT OUR PARISH

- Historic St. Peter parish is the second oldest parish in St. Louis County having been established in 1832. Parish has a rich association with the City of Kirkwood and is unique for having a large high school in the 1940s and 1950s that when closed led to the Marianists opening Vianney High School and the Ursuline Sisters expanding nearby Ursuline Academy.
- This growing (12th largest) parish of 2200 households boasts the 4th largest elementary school in the diocese with 493 students and the 4th largest PSR.
- The parish church was completed in 1951 and seats 700.

ABOUT OUR PARISH

- St. Peter parish is in the desirable Kirkwood area with nearby shops, boutiques, parks and restaurants. Stable demographics and a variety of housing stock.
- A growing parish with a young demographic, one of the highest number of baptisms, school enrollment and PSR in the diocese. Declining Mass attendance would be the only concern especially in a post-COVID world.
- Parish has had difficulty over the past decade growing reserves. Parish also invests more than recommended in its parish school.

OUR PARISH AREA HAS A RANGE OF HOUSING OPTIONS AND IS ATTRACTIVE TO A DIVERSE SOCIO-ECONOMIC POPULATION

- Though parish is land locked, there has been growth in population due to construction of condos, apartments, and “tear downs” of small houses to build large family homes.
- Though much of the historic African-American Meachem Park area was replaced with commercial development, the parish area has still maintained a stable racial/ethnic minority of about 15%.
- Median household income is \$84,500 which is well above the archdiocesan average of \$60,700.
- 29% of the resident population is Catholic which is well above the archdiocesan average of 18%.

WHERE OUR PARISHIONERS & CATHOLICS LIVE

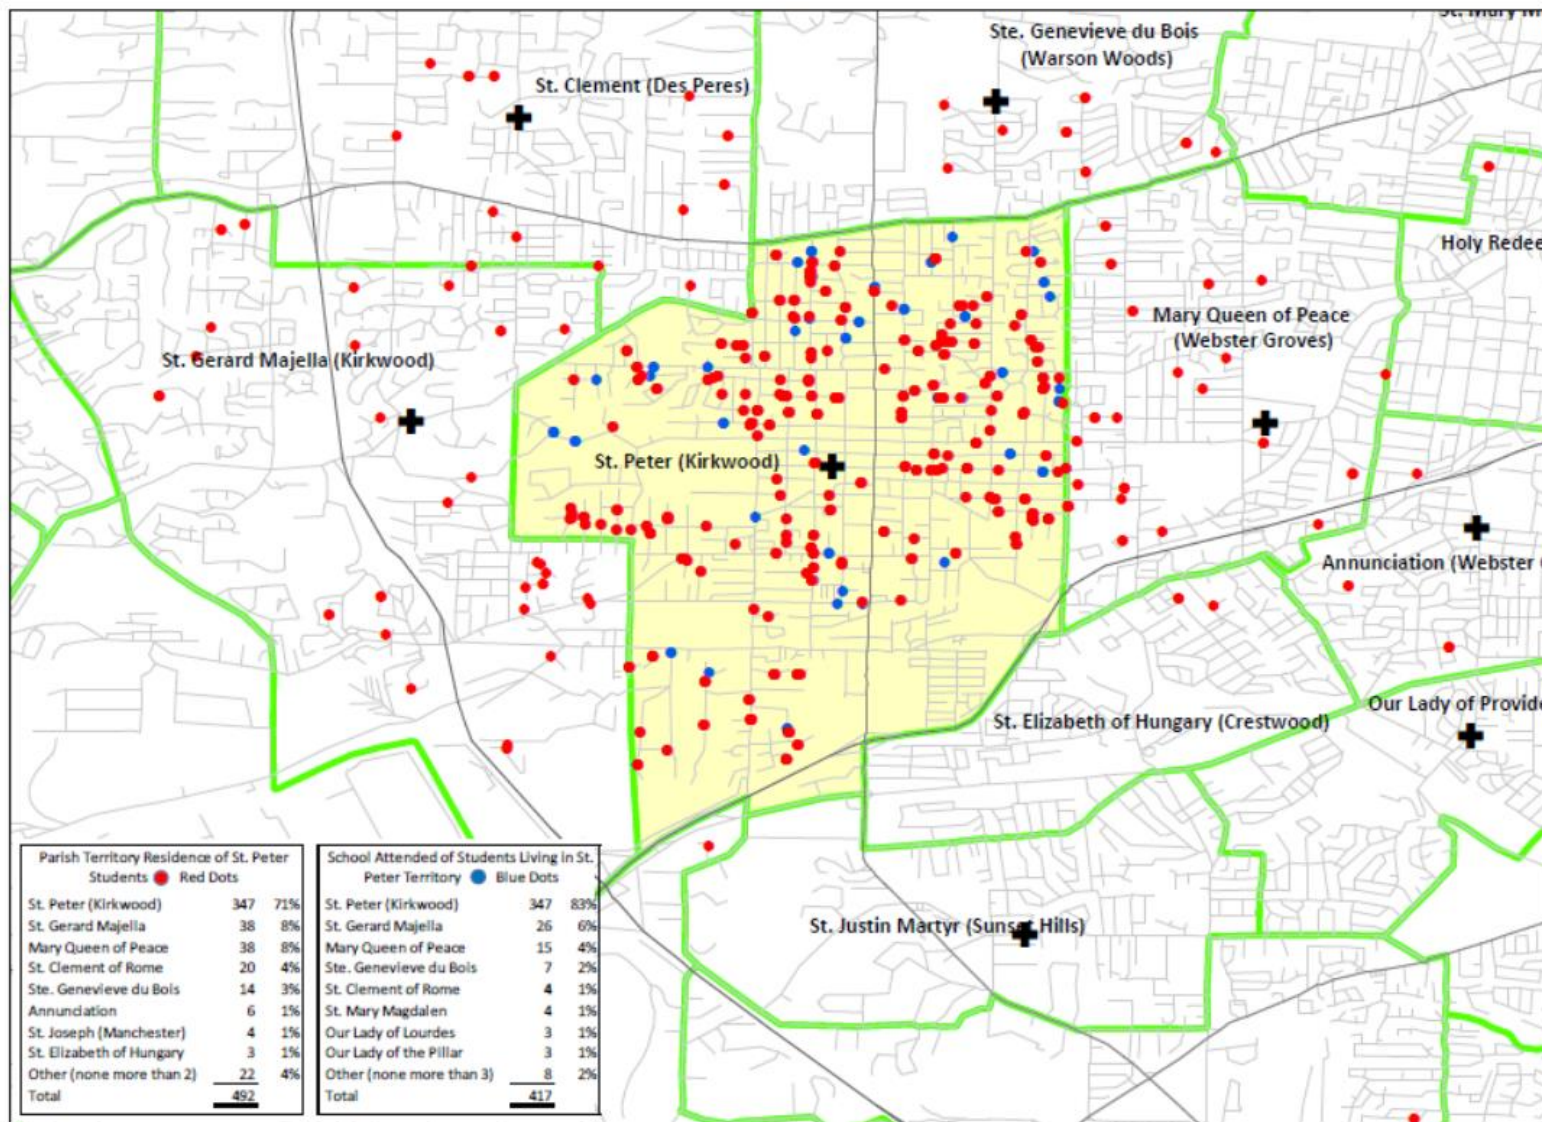

- Red dots are parishioner households; blue dots are Catholic households that are registered at a different parish.
- There are many more parishioner households (2121) than there are Catholic households in the boundaries (1835).
- This means that many more Catholic households come into the parish from outside the boundaries than leave the parish area to affiliate elsewhere.
- As the red dots (parishioners) show on the map, the parish draws Catholics from all over the neighboring area.

WHERE CATHOLIC SCHOOL STUDENTS LIVE
